

Self Care Kits

Self Care Kit: \$350.00 + tax

A basic yet comprehensive start to a well-rounded skin care routine. It includes a little bit of everything for a normal-oily or normal-dry skin type. It will address cleansing and exfoliation along with anti-aging benefits and protection of the skin. With this system a patient should see results in 6-12 weeks with an improvement in skin tone, texture, and overall appearance.

- Cleanser: Resurfix Gentle Enzyme Cleanser
- Exfoliant: Resurfix Concentrated Retinol Treatment Serum 5X
- Antioxidant: Resurfix Vitamin C Collagen Serum
- Moisturizer: Resurfix Daily Enriched Facial Cream
- Sunscreen: Resurfix Daily Essential Oil Free SPF 50 Tinted or Non-Tinted

Deluxe Self Care Kit: \$527.00 + tax

Provides a more intense and targeted treatment skin care routine. The higher dose of retinol will speed up cellular turnover. This can take 4-6 weeks. It is more likely to experience redness, peeling, and irritation until the skin acclimates, but this will help improve skin tone and texture. A higher content of water and fatty acids in the moisturizer will provide a longer lasting feeling of moisture in the skin and provide more anti-aging benefits and healing properties.

- Cleanser: Resurfix Gentle Enzyme Cleanser
